Favorite Quote:

*“Start by doing what’s necessary,
then do what’s possible & suddenly
you are doing the impossible.”*

~ St. Francis of Assisi

Culture of Inclusion

CHE former President & CEO, Bob Stanek,
Judy Persichilli and President & CEO Bill Fiochetta,
Mercy Community Health, West Hartford, CT

Change in Healthcare:

“Align financial incentives to promote & incent providers to work together to lower costs, improve quality & reduce disparities.”

April 10, 2007 marked historic event for St. Francis Medical Center, Trenton. Long-awaited opening of new entrance/lobby. Space allows patients covered drop off point & links entrance to parking garage.

Mercy Health System of Maine – 2008 grand opening of Fore River campus. First patients seen less than two weeks later. Events marked new chapter in healthcare history in greater Portland.

Greatest Challenge:

“Moving from the bedside to the Board room & staying true to healthcare’s core mission of caring while navigating the political, financial & social exigencies of healthcare.

This taught me to listen actively & be aware of organizational politics & its impact on an organization’s mission & success.”
