NACLM'S \$4,000 DONATION HELPS EDWARD J. ILL EXCELLENCE IN MEDICINE FOUNDATION SUPPORT MEDICAL EDUCATION, KEEPING DOCTORS IN NJ

MDAdvantage, leading malpractice carrier, sponsors foundation's efforts

Lawrenceville, N.J., October 1, 2010 – The North American Center for Law and Medicine (NACLM) has donated \$4,000 to the Edward J. Ill Excellence in Medicine Foundation. Each year, the Foundation recognizes top physicians and healthcare leaders in New Jersey through the Edward J. Ill Excellence in Medicine Awards®.

Founded by attorneys at the Morristown, N.J.-based Giblin & Combs, LLC, NACLM (www.naclm.com) helps physicians become more familiar with the legal system. The organization offers continuing medical education programs on topics such as risk prevention, trial and deposition preparation, and insurance and asset protection. Fifty percent of its profits go to charity.

“We greatly appreciate NACLM’s contribution and ongoing support,” said Paul J. Hirsch, MD, Chairman of the Edward J. Ill Excellence in Medicine Foundation. “Our two organizations complement each other to create a win-win for physicians--clarifying the legal system and defraying the cost of medical education.”

The Edward J. Ill Excellence in Medicine Awards program, which has a charitable mission to help young men and women afford the cost of a medical education in New Jersey, is sponsored by MDAdvantage (www.MDAdvantageonline.com), one of New Jersey’s leading medical professional liability insurance carriers.

Patricia A. Costante, Chairman and CEO of MDAdvantage, also lauded NACLM’s support. “New Jersey doctors face a myriad of challenges in running their practices. Together, NACLM and the Edward J. Ill Excellence in Medicine Foundation are making a difference, creating a more favorable environment to practice medicine—which will help keep top-quality physicians in New Jersey.”

Each year since 2003, MDAdvantage has sponsored the Excellence in Medicine Awards, named after Edward J. Ill, MD, a New Jersey physician who was a pioneer in promoting continuing education in ways that set the national standard. The awards honor exemplary New Jersey doctors and leaders whose dedication to education, research and public service have significantly impacted the delivery of healthcare.
